

Premesh V

UI UX Designer / UI Developer

Coimbatore, Tamil Nadu +91 8098421237 premeshvijayaraghavan@gmail.com

SUMMARY

UI/UX Designer & Front-End Developer with 3+ years of experience creating intuitive, responsive, and visually engaging digital products. Proficient in HTML, CSS, and JavaScript, with strong skills in wireframing, prototyping, and user centered design. Adept at translating business needs into scalable solutions and collaborating with cross-functional teams. Experienced in modern development workflows using VS Code and STS.

WORK EXPERIENCE

Ayotta technologies | UI Developer | Coimbatore Oct 2022 - Present

- Designed page navigation, buttons, and search interfaces, creating wireframes and prototypes to clearly demonstrate site functionality and user flow.
- Improved layouts based on user feedback, ensuring designs aligned with user expectations and business goals.
- Conducted usability testing to identify pain points, enhancing overall user experience and interaction quality.
- Ensured responsive design across multiple devices and screen sizes, improving accessibility and consistency.
- Collaborated with developers to translate design concepts into functional, pixel-perfect implementations.

Ayotta technologies | UI/UX Designer Intern | Coimbatore Jul 2022 - Sep 2022

- Designed web and mobile UI experiences using wireframes, high-fidelity designs, and interactive prototypes to create intuitive user journeys.
 - Collaborated with product managers and developers to gather requirements and iterate based on user feedback.
 - Delivered user-centered, visually engaging, and scalable design solutions aligned with business goals.
-
